

Haven Public Library Internet Information

1. Update or apply for a library card at the circulation desk.
2. Ask for a copy of the internet agreement. Read and sign it. This will remain on file in the library and you will receive a copy of it for yourself.
3. Sign in on the computer log sheet for one-half hour's use at a time. More time is available if the computers are not in demand.
4. To ensure internet access, make appointments with the librarian. Scheduled appointments have priority over walk ins.
5. The library has diskettes for you to purchase (\$1 each) if you wish to download from the internet.
6. In order to continue to improve our services, please write down your comments or suggestions and leave with the librarians.
